

# Town of Coventry

## American Recovery Plan (ARPA) – Project screening criteria

Note: The Coventry Town Council is accepting requests for funding of projects with a minimum value of \$20,000.00.

<b>Project name:</b>		<b>Estimated cost:</b>	
<b>Requestor/Authorized representative:</b>		<b>Requesting Department/Entity:</b>	
<b>Project Summary/Request:</b>			

<b>A. Project Background</b> - provide a summary of the problem, or request, that ARPA funds would address, including the impacted population:			
<b>B. Project Benefits:</b> provide a brief summary of project benefits, such as alleviate safety concerns, improve efficiency of a process/maintenance or expense, improve quality of life, reduce environmental impacts, generate revenue, etc:			
<b>C. ARPA-related criteria</b>			
<b>Does the request meet any of the following qualifying criteria?</b>		<b>Yes</b>	<b>No</b>
Is it related to adverse impacts caused by the COVID pandemic?			
Does it pertain to water, wastewater or storm water infrastructure?			
Is it a one-time capital expense?			
Is it eligible for alternative funding sources? (Grants, tax credits/deductions, other)			
Remarks:			
<b>D. Documentation to support the Estimated Cost:</b>			
Provide a copy of supporting documentation. This can include things like financial statements showing a reduction in revenue due to COVID impact, written estimates or previous billing statements, or pictures.			
<b>E. If granted the ARPA funding from the Town of Coventry, what would the funds go towards and what would be the general implementation plan/timeline for use of the funds:</b>
