Town of Coventry – Comprehensive Plan Update

March 21, 2023; 6:00-8:00 pm; at the
Resource & Senior Center (50 Wood St.)

The Town continues to draft an update to the Comprehensive Plan. More input from you is requested. The Town wants to ensure a solid interface of the drafted policies and actions to achieve the Plan's stated vision and goals, and shape future land use.

To that end, we want your insight on how you believe the Plan's vision and goals should be achieved – that is, we want you to strategically identify how the plan should be carried out.

Please join us!
