AGREEMENT

Pursuant to the provision of Chapter 28-9.2 of the General Laws of the State of Rhode Island 1956, as amended, entitled “Municipal Police Arbitration Act,” this Agreement is made and entered into this 15th day of August, 2018 by and between the Town of Coventry ("Town") and Local 306, International Brotherhood of Police Officers ("Union or Local 306").

ARTICLE I

Section 1 – Recognition

(a) The Town hereby recognizes and acknowledges that the Union is the exclusive bargaining agent for all permanent police officers; except the Chief of Police and Major for the purpose of collective bargaining with respect to wages, rates of pay, working conditions, and all other terms and conditions of employment.

(b) Definition. Whenever used in this Agreement, the terms “member,” “officer”, or “employee” shall have the same meaning, which is: active, full-time, permanent, paid police officers of the Town up to and including the rank of Captain. Officers who are on paid leave of absence or absent for active military service shall be entitled to none of the benefits of this Agreement except to the extent they are expressly granted eligibility for certain benefits in other sections of the Agreement or as may otherwise be provided for by law.

Section 2 – Union Security

(a) The Town agrees not to discharge or discriminate, in any way, against employees covered by this Agreement, for Union membership or lawful union activities, and the Town and the Union agree not to discriminate in any way against employees covered by this Agreement for non-membership, failure or refusal to engage in Union activities or any other lawful activities.

(b) All full-time, active, permanent officers of the Coventry Police Department ("Department"), except the Chief of Police and Major, shall have the right to join or refrain from joining the Union.
(c) Vacancies in the ranks of Captain and below shall continue to be subject to the promotional procedures set forth in this Agreement subject to a six (6) month active duty probationary period. Whenever more than three (3) eligible candidates occupy the rank next preceding a promotional vacancy in the bargaining unit, a promotional exam will be given. Beginning with the next promotion to the rank of Major, vacancies in the rank of Major shall be filled at the discretion of the Chief from bargaining unit members holding the rank of Captain.

(d) The one (1) year active duty probationary period imposed upon new employees shall commence on the date of their appointment to the Department after graduation from the Police Academy. However, in the event a probationary officer is on extended sick leave or injured on duty or military leave, this probation period will be extended for the duration of the time he was unable to perform his duties.

Section 3 – Limitation of Rights of Probationary Employees

(a) During an employee’s probationary period of employment, he shall be entitled to the rights and benefits established by this Agreement, provided however, that he shall not be afforded (a) the right to invoke the grievance or arbitration processes to review, challenge or appeal the imposition of any form of discipline or a suspension or dismissal from employment with the Town; or (b) the right to exercise any rights, privileges or procedures set forth in the Law Enforcement Officers’ Bill of Rights, Title 42, Chapter 28.6 et. seq. of the General Laws of Rhode Island.

Section 4 – Changeover to Permanent Status

(a) Upon successful completion of the probationary period, an officer shall be deemed a permanent officer.

Section 5 – Dues Deduction
The Town shall deduct Union dues upon receipt of authorization from employees who sign deduction form cards, to be supplied by the Union. The Town shall forward, to the Treasurer of the Union, the monies so deducted by the fifteenth (15th) day of the month following the month of deduction.

The Union agrees to indemnify the Town for any and all costs and damages, including its reasonable attorneys’ fees that the Town may incur as a result of legal challenge to the Town’s application of this Article.

ARTICLE II

Section 1 – Management Rights

(a) The Union agrees that the Town has complete authority for the policies and administration of the Department, which it shall exercise under the provisions of law and in fulfilling its responsibilities under this Agreement. Said authority shall include the establishment of work rules and regulations not inconsistent with the terms of this Agreement. Any matter involving the management of police operations vested by law in the Town and not covered by this Agreement, is in the province of the Town.

(b) The Town Council, on its own behalf and on behalf of the Town, hereby retains and reserves unto itself all rights, power, authority, duty, and responsibility conferred on and vested in it by the Town Charter, the laws and Constitution of the State of Rhode Island and Providence Plantations and/or the United States of America.

(c) The exercise of any such right, power, authority, duty or responsibility by the Town Council or the Town Manager, and the adoption of such rules, regulations, and/or policies as it may deem necessary, as they apply to employees represented by the Union, shall be limited only by the specific and express terms of this Agreement.

(d) The Town shall have the unlimited right to discharge any new employee during said employee’s probationary period.

Section 2 – Discrimination
(a) There shall be no discrimination by the Town or Union against an employee for reasons of sex, sexual orientation, race, color, creed, political affiliation, national origin, age, disability country of ancestral origin, any other basis of discrimination prohibited under state and federal law, Union membership or non-membership. All references to an employee covered by this Agreement as well as the use of the pronoun “he” are intended to include both genders. When the male gender is used, it shall be construed to include male and female officers.

(b) The Town and Local 306 affirm their joint opposition to any discriminatory practices in connection with employment, promotions, evaluations, assignments or training opportunities, remembering that the public interest remains in the full utilization of employees’ skills and abilities without regard to such prejudicial factors.

(c) The Town and Local 306 recognize that employees claiming to be aggrieved by violations of this section have certain rights under state and federal law in addition to the right to the grievance and arbitration procedure provided in this Agreement. Both parties also recognize their mutual interest in having any such disputes resolved quickly and with finality, and further that the possibility of litigating the same dispute more that once would be detrimental to all concerned. Accordingly, the parties hereby agree that the contractual grievance and arbitration procedure shall not be available to an officer who has proceeded in any other forum concerning discrimination described in this Section. In the event that such a proceeding is commenced after the initiation of a grievance under this Agreement, the pending grievance shall be withdrawn.

ARTICLE III

Section 1 – Seniority

The employees of the Department shall have seniority rights under the following provisions:

(a) Police officers shall have seniority rights in the selection of beats, posts, vacations and vehicles. No officer shall be bumped out of any approved vacation request within thirty (30) days of the requested date(s), regardless of seniority. In the event of a vacancy,
officers shall also have seniority rights in the selection of shifts and platoons. The Chief will consider seniority in making assignments to any division or Department. A bidded officer on a shift or division shall not be moved or transferred unless the vacancy exceeds thirty (30) days. In the event that the Chief of Police intends to transfer an officer on a temporary basis to fill the vacancy, the Chief of Police shall give no less than ten (10) days advance notice to the officer prior to being transferred.

(b) However, all vacation replacement, overtime, and road job assignments will be handled by means of rotating lists. Vacation replacement, overtime and road job assignments will be offered to all personnel on a rotating basis regardless of their present job assignment. As to days off, holidays and vacations, however, a senior officer may reject the benefit at his discretion without the need of an explanation on his part. Further, in the event that an employee shall reject the position or benefit, it shall not be construed as a waiver of his seniority rights in any subsequent situation where seniority would prevail.

(c) Seniority is hereby defined as the length of time the officer has continuously served as a regular member of the Department; seniority in rank, however, will be considered in transfers and assignments within a specific rank in addition to overall seniority.

(d) The successful bidder for any job shall be entitled to a trial period of up to 180 days to determine whether he can acquire the skills necessary for the performance of said job in a satisfactory fashion. The person appointed for any position will have up to thirty (30) days to decide if he wishes to return to their previous position. After thirty (30) days, the individual will go to whatever open position exists.

(e) During the trial period, a bi-weekly progress report will be made by the employee’s supervisor, a copy of which shall be furnished to the employee and to the Chief of Police. The Chief of Police or his designee retains the right to return the employee with just cause to his previous position at any time during the trial period. Any return of an employee in less than 180 days will be for reasons that will be provided to the employee upon request.

(f) In the case of any future permanent appointments to the Department, seniority shall be determined by standing in the Rhode Island Municipal Police Training Academy ("RIMPTA") class if more than one person is appointed on the same day.
(g) If new employees, hired on the same date, do not attend the same Police Academy, then the score of the police recruit written exam taken prior to hire shall be used to determine seniority.

Section 2 – Forfeiture

Seniority and employee status will be forfeited in the event of:

1) Failure to report for work on or before the second working day after recall;
2) Voluntary quit;
3) Discharge.

ARTICLE IV

Section 1 – Vacancies

(a) Vacancies will be filled by qualified applicants who will be required to successfully complete the Rhode Island Municipal Police Academy Recruit Training Course within one (1) year from date of hire or within such longer period as the Town and Union may mutually agree upon in writing in the event that a lack of spaces or delays in the conduct of the Police Academies makes successful completion impracticable in an individual case or cases.

(b) Once the Town has determined a permanent vacancy exists, it will move expeditiously to fill the vacancy by naming a candidate within four (4) months to attend the next Municipal Police Academy. In the event that no candidate satisfactory to the Town is identified within four (4) months, this period shall be extended by mutual agreement.

(c) At no time will a new recruit be allowed to patrol alone in a police vehicle until he has successfully completed the RIMPTA or has been certified by the state and is sworn in as a permanent police officer. Nothing herein shall be construed, however, to prevent recruits from riding with sworn officers and/or performing such functions or duties of permanent personnel, under the direct supervision of sworn officers, as are deemed appropriate by the Department to effectuate the training of said recruits.
Section 2 – Temporary Service Out of Rank

(a) Members of the Department up to, and including the rank of Captain, who are ordered to assume the responsibilities of the next higher rank, shall be compensated for this service at a rate not to exceed that rate of pay for the second highest rank.

(b) At any time when an absence is expected to be less than thirty (30) days, the senior officer working that particular shift, but not necessarily assigned to the shift where the absence exists will fill the out-of-rank absence provided he has a minimum of forty-eight (48) months of service. If there is no such officer, a supervisor will be called. If all supervisors refuse the overtime, it shall then be offered to all patrol rank personnel by straight seniority provided that they have a minimum of forty-eight (48) months of service.

If all patrol rank personnel refuse the overtime, the patrol officer with the least seniority having the minimum of forty-eight (48) months of service shall be ordered to assume the out-of-rank position.

(c) If the absence lasts for thirty (30) days or more, a selection will be made by the Chief of Police from the top three (3) names on the promotional list, but if no list is available, then it will be at the discretion of the Chief of Police.

(d) The officer assuming these duties will be compensated at the same rate as the officer for whom they are filling in, provided such service is for a period of one (1) full working day. Such rate shall apply for all time spent at the rank for which he is filling. If an officer serves a full shift out of rank as a patrol sergeant, he will be entitled to out of rank pay for that shift.

(e) When a temporary vacancy, which is expected to last thirty (30) days or more, occurs and is filled in supervisory positions and the vacancy then becomes permanent, the officer assigned from the promotional list to the “acting” status will be promoted to that position on a permanent basis.

(f) If, however, the supervisory vacancy does not become permanent, the officer assigned to the temporary service out of rank on “acting” status, and all other officers involved in any resulting transfers, will return to his former assigned positions.
(g) In the event that the Chief determines that there is a need to cover for the absence of a superior officer who is on vacation, he may do so in the manner he feels best meets the needs of the Department, including by employment of a higher ranking officer, a lower ranking officer, an officer at the same rank or by the temporary appointment of a lower ranking officer to a higher rank for which that employee is qualified by seniority and experience, if not by an existing promotional list. In making his selection, the Chief shall take into consideration the public interest above all and the officer’s convenience, the Department’s convenience, as well as the relative seniority and qualifications of available personnel.

(h) In order for an officer to be eligible to transfer out of patrol, said officer shall have been a full-time member of the Department for at least four (4) years; the probationary period shall count toward those four (4) years.

(i) The Town and the Union agree that when two (2) or more Temporary Service Out of Rank positions occur and one position is eliminated the member who was highest on the list and chosen by the Chief in accordance with Article IV, Section 3 will be offered the remaining Temporary Service Out of Rank positions. The Chief of Police or his designee retains the right to return the employee with just cause to his position at any time during the “Temporary Service Out of Rank” period.

(j) The Town and the Union agree that when a temporary acting position is in place and a new Promotional list is certified that the Acting Temporary Position will be filled by the new list in accordance with Article IV, Section 2(c). The individuals who may be in a Temporary Service Out of Rank position will return to his former assigned positions.

Section 3 – Promotions

(a) In order for an officer to be eligible for a promotion to the next higher rank, said officer shall have been a full-time member of the Department for at least four (4) years; the probationary period shall count toward those four (4) years.

In order for a rated officer to be promoted to the next higher rank, said officer shall have been in his present rank for a period of at least twenty-four (24) months.
(b) No temporary acting promotions for a permanent vacancy will be made if there is an existing promotional list. In the absence of a promotional list, a temporary acting promotion can be made for a permanent vacancy, not to exceed ninety (90) days, and will not be renewable during the contract period. These temporary acting promotions will be at the discretion of the Chief of Police.

(c) The Town Manager shall appoint an impartial person to conduct all promotional examinations for the Department. The person thus appointed shall be the examiner and shall be responsible for the grading and supervision of the written examination. The Union shall appoint up to two (2) union members, who are not taking the test, to witness the test and grading procedures. These two (2) union members will be given a copy of the grades upon completion of the grading and will deliver the results to the Union President who will make the scores available to the Union body. This process will take place upon completion of the test.

(d) Written examinations will be prepared by a recognized testing agency and all test materials shall be forwarded to the Town in a sealed package which will be unsealed in the examination room prior to the administration of the examination. Personnel taking the examination will have an opportunity to inspect the seal prior to taking the exam.

(e) The written examination will have a total possible point score of one-hundred (100) and all individuals obtaining a point score of seventy (70) or greater will be certified to the Chief of Police and the Town Manager as being eligible for promotion.

(f) An additional fifteen (15) seniority points can be earned. Points for seniority will be determined by each full year of service as a full-time permanent member of the Department. One (1) point will be allowed for each year, with a maximum of fifteen (15) points. These points will be added to the written test score to determine final grade and rank on the promotional list. Effective July 1, 2005, an additional six (6) points can be earned for advanced education (Master’s Degree, J.D. or Ph.D.- 6; Bachelor’s Degree-4; Associate’s Degree-2) achieved as of the date of the examination.

(g) Upon certification of the promotional list to the Chief of Police, the Chief shall select from the top three (3) names on the promotional list, the person to be promoted. The name of the officer promoted will then be removed from the list. Any subsequent
promotions shall be selected from the top three (3) names remaining on the list, with each officer allowed the option of refusing or waiving his promotion. If an officer chooses to waive a promotion, he shall still retain his position on the list for the remainder of the life of the promotional list, provided however, that if an officer chooses to waive promotion, the fourth position on the list shall be eligible for selection by the Chief. The parties intend that the Chief shall have at least three (3) names from which to select in all cases in which at least three employees have passed the promotional exam. Any officer promoted shall be entitled to up to thirty (30) days to decide if he wishes to return to his previous position. After thirty (30) days, the officer will go to whatever open position exists.

(h) The list shall take effect at the expiration of the previous list and shall remain in effect eighteen (18) months. All promotional exams will be given within sixty (60) days prior to the expiration of the promotional list.

(i) In the event two (2) or more employees are tied for promotion as a result of the promotional examination, the criteria used to break the tie shall be seniority as shown on the official seniority list. If, as a result of a tie in the number of promotional points earned, the top three (3) positions on the promotional list are occupied by more than three (3) officers, then the Chief shall select one (1) officer for promotion from this greater number of eligible officers; provided, however, that if three (3) or more candidates occupy the top two (2) positions on the promotional list by virtue of a tie, no additional candidates shall be considered, unless because of dropouts the number is reduced below three (3).

(j) In the event an individual is promoted other than the officer receiving the highest total score, the appointing authority shall state the reasons in writing to the officer(s) who achieved the highest score.

(k) Whenever a vacancy occurs which the Town decides, in its sole discretion, requires a promotion to fill the vacancy, such promotion shall be made within sixty (60) calendar days of the occurrence; provided, however, that a valid promotional list of eligible candidates exists at the time.
(l) The written examination shall be derived from the following sources: (a) Title 3, Title 11, Title 12, and Title 31 of the Rhode Island General Laws, and selected sources of the Code of Ordinances of the Town of Coventry; (b) Rules and Regulations and General Orders (c) other job relevant law enforcement authorities as determined by the Chief of Police. The identification of these sources shall be posted no less than sixty (60) days prior to the examination.

Section 4 – Lateral Transfers

(a) For any lateral transfers including but not limited to the Detective Division, SRO, Training Division and Juvenile Detective, there shall be a panel consisting of the three (3) lieutenants from each division (A, B, C), one (1) Captain of the respective divisions where the vacancy exists and one (1) Executive Board member appointed by the President of Local 306.

(b) The panel will review each applicant’s entire work record, including their work performance, work experience while with the Department, arrests, dependability and investigative abilities. Each panel member will score each candidate and the candidate will then receive a ranking. At the conclusion of the panel’s meeting, they shall be responsible for tabulating the results and establishing a list. The list will then be published by the Office of the Chief of Police. All of the candidates shall have the right to review their scoring sheets within thirty (30) days of the list being established. The panel’s results are final.

(c) Upon receiving the list, the Chief shall make a selection for the vacancy from the top three (3) names on the list. Each officer shall be allowed the option of refusing or waiving his transfer. Any officer transferred shall be entitled to up to thirty (30) days to decide if he wishes to return to his previous position.

(d) A Departmental email (internal and external) as well as an IDC will be sent to the applicants advising that they had received the officers bid for the position.

(e) When the position is filled, all applicants will be notified and it will be posted and emailed to every member of Local 306.
Section 5 – Layoffs

In the event that the Town determines that it will have a layoff, employees shall be laid off in reverse order of departmental seniority. Affected employees will remain on a preferential reemployment list for a period of three (3) years from the date of layoff and shall retain their seniority for this period. In the event of recall, employees will be recalled in inverse order of layoff.

ARTICLE V

Section 1 – Duties

The duties of the members of the Department shall include but not be limited to: the prevention of crime, the maintenance of the peace, the enforcement of state laws, Town Ordinances, the Department Rules and Regulations and such other duties as may be assigned by the Chief from time to time.

Nothing herein shall be deemed to abrogate the power of the Town Council to vary the organizational structure of the Department.

Section 2 – Details to Other Departments Prohibited

(a) The Town agrees that members of the Department whose duties are defined in Article V, Section 1, shall not be detailed to other departments of the Town. The details from one unit to another within the Department shall be the responsibility of the Chief of Police, subject to the seniority provision herein contained.

ARTICLE VI

Section 1 – Hours

(a) Except for employees who are on a five and two (5 & 2) regular work week, the regular workweek for the members of the Department shall be based on the four and two (4 & 2) schedule.

(b) It is expressly understood by the parties hereto that hours worked on special non-Town details shall not be counted in determining the number of hours worked. Except for
employees who are on a five and two (5 & 2) regular work week, every member of the Department shall work the same number of hours, except in case of emergency, and further, he shall be required to wear the prescribed uniform, under ordinary circumstances, while on duty, with exception of the Detective Division, Administrative Services Division, and personnel on special assignment. Further, it is understood by the parties hereto there shall be no rotating shifts.

(c) Individuals who are required to work a five and two (5 & 2) schedule because of job classification or duty assignment, shall not be required to work the thirteen (13) holidays and four (4) half day holidays provided in Article VII and shall receive compensation for the holidays. If the individuals do not have weekends off, then they will also receive seven (7) extra days of vacation time.

(d) Sick leave time shall not be credited as time worked for purpose of determining overtime pay if the sick leave is taken within forty-eight (48) hours before or after the overtime (including but limited to fill ins, early call in, overtime at the end of shift, etc.) and any such “overtime” work therefore shall be paid at “straight-time rates”.

(e) The sole and exclusive remedy for any mis-assignment of overtime work or details shall be that the officer denied the opportunity will be offered the next similar opportunity that arises.

Section 2 – Minimum Manpower

Three (3) patrol shifts will operate during the following hours:

Minimum Manpower

A Division-0000 hrs to 0800 hrs (Supervisors 2330-0730)

A Division

1. Four (4) patrol officers
2. One (1) road supervisor
3. One (1) inside supervisor
B Division-0800 hrs to 1600 hrs (Supervisors 0730-1530)

B Division

1. Five (5) patrol officers
2. One (1) road supervisor
3. One (1) inside supervisor

C-Division-1600 hrs to 0000 hrs (Supervisors 1530-2330)

C Division

1. Five (5) patrol officers
2. One (1) road supervisor
3. One (1) inside supervisor

Section 3 – Dispatch Vacancies

(a) When a civilian dispatcher is absent and all dispatchers decline said overtime, the dispatch overtime will be offered to sworn officers via the “Patrol Dispatch Overtime List” regardless of patrol manpower. If no member accepts the dispatch overtime, a civilian dispatcher will be ordered in to work.

Section 4 – Compensatory Time

Upon the approval of the Officer in Charge (OIC), an employee may be given compensatory time off. Members of the Patrol Division must make said request no more than forty-eight (48) hours in advance. Employees cannot accrue more than eighty (80) hours compensatory time. Compensatory time shall not be included in the calculation of pension benefits. The Town reserves the sole right to approve or deny compensatory time. Requests to discharge compensatory time will be denied to members of the Patrol Division if the approval of their request would cause the shift to which they are assigned to fall below minimum manning. Compensatory time may be accrued for working overtime only.

Compensatory time cannot be used by members of the Patrol Division if the shift would fall below minimum manning or, on the following dates:
1) Memorial and Labor Day weekends: Effective Friday at 0001 hours through Monday at 2359 hours
2) July 3rd, 4th, and 5th
3) October 31 from 1600 through November 1, at 0800 hours.
   The aforementioned compensatory time restriction does not apply to other officers not assigned to the Patrol Division.

Section 5 – Substitutions/Personal Switch

(a) The right to substitute at any time shall be permitted, provided that the substitution is by a regular officer only, and that permission has been obtained from the Chief of Police or Officer in Charge of the shift or division affected by the substitution. All substitutions shall be reported to the Chief of Police by the Officer in Charge.
(b) Substitutions are defined as temporary duty exchanges between officers with similar duties or assignments that are approved by an officer superior to the officers involved in the substitution and that result, neither directly nor indirectly, in overtime pay or any other additional cost to the Town. Such substitutions shall last no longer than two (2) days except with prior written approval from the Chief.

Section 6 – Overtime

(a) All hours worked in excess of the regular eight (8) hours on any one shift or any hours above the hours normally scheduled in any one (1) calendar week shall be compensated for at the rate of time and one-half.

(b) The term “formal complaint” as used in this Article means:

(b) The employee agrees to cooperate with the Town and/or its agent(s) in defending the employee in a civil proceeding contemplated in this section.

Section 3 – Grievances

Grievance and Arbitration Procedures.

(a) Definition.
A grievance is a dispute between the members (or the Union) and the Town, which involves the application, meaning, or interpretation of the provisions of this Agreement and grievances filed pursuant to subsection (e) of this Article.

(b) Procedure.
Step 1: Within seventy-two hours of the act or omission over which the employee is aggrieved, the employee shall discuss the matter with the Chief or his designee. The Union may or may not be involved at Step 1.

Step 2: Not later than seven (7) calendar days after the event giving rise to the grievance, the Union must submit any grievance in writing to the Chief of Police. The Chief of Police may request a meeting with the member(s) and duly authorized Union representatives. The Chief of Police or his designee shall respond in writing within five (5) days, excluding weekends and holidays, of the receipt of the grievance. Should the Chief of Police or his designee not respond within the time period set forth herein, the grievance shall be deemed denied.

Step 3: If the grievance is not resolved at Step 1 or is deemed denied by the passage of the time period above, the Union must submit the grievance to the Town Manager within
three (3) days of the denial by the Chief or at the conclusion of the time period when the grievance is deemed denied. Within twelve (12) days the Town Manager shall convene a meeting with the Union to hear the grievance. Within seven (7) days after the conclusion of said meeting, the Town Manager shall issue a written response to the grievance.

(c) Written Presentation. Any grievance presented in accordance with the procedures set forth in Paragraph (b), shall include with reasonable clarity: the facts giving rise to the grievance, including the exact nature of the grievance, when it occurred, and the identity or identities of the employee or employees who claim to be aggrieved; the specific provision(s) of the Agreement alleged to have been violated (catch-all recitations shall not meet this requirement); the name(s) of the aggrieved member(s); and the remedy sought. A grievance shall be signed and dated by the aggrieved member(s) and duly authorized Union representative.

(d) Time Limitations. The time limitations set forth in this article, including for the filing and processing of a grievance and the demand for arbitration, addressed below, are of the essence of this Agreement and the failure by a member or the Union to comply with any of the time limits in this article shall be deemed to constitute a waiver of the grievance. Notwithstanding the time limitations set forth in this article, the Town and Union may extend them by mutual written Agreement.

(e) The parties agree that employees covered by this Agreement shall have the right to file a grievance for disciplinary action which includes a written reprimand, or a suspension of two (2) days or less. Officers who are disciplined more than two (2) days shall be afforded a hearing under the Law Enforcement Officers’ Bill of Rights.

(f) Removal of Discipline Records and from Personnel File. The personal file of the member of the bargaining unit which is kept by the Police and/or Personnel Department, will have expunged from its contents any disciplinary action after a period of three (3) years from the date of the disciplinary action provided that during the interim period the member has no further departmental violations. Written notification by the officer must be made to both the Town Personnel Department and the Chief of Police. No further departmental violations must rise to the level of a written reprimand or suspension.
(g) Union Representation. Any member of the bargaining unit shall, if he desires, be accompanied by another Coventry Police Officer or legal representative/counsel chosen and provided by Local 306 when appearing before the Chief of Police or any supervisor, to answer charges/allegations that he violated any rules and regulations of the Department and/or any of the terms and conditions of this Agreement.

(h) Submission to Arbitration. Any grievance, as defined in Paragraph (a) of this article that has been properly and timely processed through the grievance step procedures set forth above and that has not been settled at the conclusion thereof, may be submitted to arbitration by the Union serving the Town Manager with a written demand for arbitration within seven (7) days, after the receipt of the response of the Town Manager. The failure to file a demand for arbitration within the time limit set forth herein shall constitute a complete waiver of the grievance and member’s(s’) and Union’s right to demand arbitration.

(i) Arbitrator Selection. After the Town Manager receives the Union’s demand for arbitration as set forth in paragraph (h), the parties shall consult and attempt to agree on a mutually acceptable arbitrator to hear the matter. If the Union and the Town are unable to agree on a neutral arbitrator within five (5) days after the Town Manager receives the Union’s demand, the Union shall submit a demand for arbitration to the closest local office of the American Arbitration Association (AAA) within ten (10) days after the initial filing of its demand with the Town Manager. After filing with the AAA, the arbitrator selection process and arbitration proceedings shall be governed by the AAA’s Voluntary Labor Arbitration Rules in effect as of the date of the demand for arbitration is filed with the AAA.

(j) Arbitrator’s Authority and Jurisdiction. The authority and jurisdiction of the arbitrator and his opinion and award shall be confined exclusively to the interpretation and/or application of the express provision(s) of this Agreement. The arbitrator shall have no authority to add to, detract from, alter, amend, or modify any provision(s) of this Agreement. The arbitrator shall not substitute his judgment for the Town’s where such discretion has been retained or reserved to the Town by the provisions of this Agreement or applicable law.
(k) Binding Effect. Subject to applicable law, the decision of the arbitrator is final and binding upon both parties.

(l) Fees and Expenses of Arbitration. The fees of the AAA, the fees and expenses of the arbitrator, and the costs of any stenographic record, if either party or the grievant desires one, shall be shared equally by the Union and the Town.

ARTICLE XV

NO STRIKES OR LOCKOUTS

ARTICLE XVI

Section 1 – Foot Patrols

Section 2 – Non-Residency

(a) The Town agrees that residency within the Town shall not be required by an employee covered by this Agreement as a condition of continued employment for the Town.

sufficiency of Plan assets, the Town and the Union shall agree on the order of priority for distribution of Plan assets in the event of such termination.

### About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use the information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
